SECTION 1 ? MODIFICATION TO CREDIT REQUEST PROCEDURE

Section 3.2 of the SLA is deleted in its entirety and replaced with the following:

"3.2 Credit Request Procedure. To receive a Service Credit, Customer must submit a written request to Provider’s Notice Address within fifteen (15) days after the end of the calendar month in which the Downtime occurred. The request must include: (a) the specific dates and times of each Downtime incident; (b) a description of how the Cloud Service was affected; (c) evidence from Customer’s own monitoring systems or Provider’s status page; and (d) the calculated Monthly Uptime Percentage. Provider will review the request and respond within ten (10) business days. If Provider confirms that the Uptime Target was not met, Provider will apply the Service Credit to Customer’s next invoice."

SECTION 2 ? MODIFICATION TO SERVICE CREDIT CALCULATION

Section 3.1 of the SLA is deleted in its entirety and replaced with the following:

"3.1 If the Monthly Uptime Percentage falls below the Uptime Target in any calendar month, Customer will be eligible for a Service Credit as specified in the table below:

Monthly Uptime Percentage	Service Credit
99.0% to < 99.5%	10% of Monthly Fee
95.0% to < 99.0%	25% of Monthly Fee
Below 95.0%	50% of Monthly Fee

’Monthly Fee’ for the purpose of this SLA means the monthly Fee payable under the Agreement, currently Eight Thousand U.S. Dollars

($8,000.00).

Additionally, if Downtime in a single incident exceeds sixty (60) consecutive minutes, Customer will receive an additional Service Credit equal to five percent (5%) of the Monthly Fee for that month, in addition to the credit specified in the table above. This additional credit is subject to the maximum credit in Section 3.3."

SECTION 3 ? MODIFICATION TO NOTICE WINDOW

Section B of the Cover Page (Contract ID: QH-STRATO-2026-001) is amended as follows:

The Non-Renewal Notice Period is changed from ninety (90) days to sixty (60) days before the end of the then-current Subscription Period.

For clarity, the amended non-renewal provision reads: "The Agreement will automatically renew for successive Renewal Periods of 12 months each, unless either party delivers written notice of non-renewal to the other party’s Notice Address at least 60 days before the end of the then-current Subscription Period, in accordance with Section 5.1 of the Standard Terms."
