SECTION 1 ? SCOPE AND ROLES

1.1 This Addendum applies to the processing of Personal Data that Harbor Retail submits to or makes accessible through the Platform.

1.2 For the purposes of Applicable Data Protection Laws:
(a) Harbor Retail is the data controller (or equivalent role);
(b) Quillhub is the data processor (or equivalent role).

1.3 Quillhub will process Personal Data only on documented instructions from Harbor Retail, including as set forth in this Addendum and the Agreement, unless required to do so by Applicable Laws. In such a case, Quillhub will inform Harbor Retail of that legal requirement before processing, unless Applicable Laws prohibit such notice.

2.1 Security Measures. Quillhub will implement and maintain appropriate technical and organizational measures to protect Personal Data against unauthorized or unlawful processing and against accidental loss, destruction, damage, theft, or disclosure. These measures include, at a minimum:

(a) Encryption of Personal Data at rest using AES-256 and in transit using TLS 1.2 or higher;

(c) Regular testing and evaluation of the effectiveness of security measures;
(d) Employee security training at least annually;
(e) Secure disposal of media containing Personal Data.

2.2 Access Logging. Quillhub will maintain access logs for systems that process Personal Data and will retain such logs for at least twelve (12) months.

2.3 Vulnerability Management. Quillhub will perform vulnerability scans of

its systems at least quarterly and will remediate critical vulnerabilities within thirty (30) days of discovery.

SECTION 3 ? DATA BREACH NOTIFICATION

3.1 Notification Timing. If Quillhub becomes aware of a Data Breach (as defined in Section 5.1 of the Agreement), Quillhub will notify Harbor Retail within twenty-four (24) hours of becoming aware of the Data Breach. For the purposes of this Addendum, Quillhub "becomes aware" of a Data Breach at the point at which Quillhub has a reasonable degree of certainty that a security incident has resulted in unauthorized access to Personal Data.

3.2 Notification Contents. The notification will include, to the extent available: (a) the nature of the Data Breach; (b) the categories and approximate number of individuals and records affected; (c) the contact details of Quillhub’s privacy officer or other contact; (d) the likely consequences; (e) the measures taken or proposed to address the breach and mitigate its effects.

3.3 Cooperation. Quillhub will cooperate with Harbor Retail in investigating and remediating the Data Breach and will provide reasonable assistance in fulfilling Harbor Retail’s obligations to notify individuals and regulatory authorities, at Quillhub’s expense if the Data Breach was caused by Quillhub’s failure to comply with this Addendum.

3.4 Record Keeping. Quillhub will maintain a record of all Data Breaches, including the facts relating to the breach, its effects, and the remedial action taken.

SECTION 4 ? SUBPROCESSORS

4.1 Authorization. Harbor Retail grants Quillhub general authorization to engage subprocessors to process Personal Data, subject to the requirements in this Section 4.

4.4 Objection. Harbor Retail may object to a new subprocessor in writing within fifteen (15) days of receiving notice. If Harbor Retail objects on reasonable data-protection grounds and Quillhub cannot address the objection within thirty (30) days, Harbor Retail may terminate this Addendum and the Agreement upon written notice.

SECTION 5 ? DATA RETENTION AND DELETION

5.1 Upon termination or expiration of the Agreement, Quillhub will, at Harbor Retail’s election, delete or return all Personal Data within sixty (60) days. Quillhub will certify in writing that deletion has been completed.

SECTION 6 ? AUDITS

6.1 Quillhub will make available to Harbor Retail, upon reasonable request and at least once per year, information necessary to demonstrate compliance with this Addendum. This may include third-party audit reports (e.g., SOC 2 Type II), security certifications, or summaries of internal assessments.

6.2 Harbor Retail may, upon sixty (60) days’ written notice, conduct or commission an audit of Quillhub’s data-processing activities, limited to once per twelve-month period unless a Data Breach has occurred. Quillhub will cooperate with the audit and provide reasonable access to relevant facilities, systems, and personnel.
